It's simply amazing and a huge statement in love (to me) that we have all gathered from all around the world and met at one place, through wires, to exist together with Love right now.

Alice Giberstein

Okay, first as I wrote and send this prayer, you guided us into the heart. You read perfectly the prayer. it means: blessed is thy holy kingdom in eternity.

Linda, I like the idea of creating links between people who are watching and part of this community ... not sure how this can be done, other than through online groups.
