Michael Phoenix

I like that definition of Teacher

changingears

isn't moving away and going into thoughts also a part of it all too? how can we deny this part too?

changingears

who is it who gives up the story?

ramdas

how to be OK with oneself and with what one is feeling?

changingears

who is the judge of what is ok? who is this? is this the mind? or something else?

changingears

if it is the mind that gives ok:ness then i will never be okay since my mind always changes. if the mind was constant my answer to my ok:ness would also be constant.

changingears

isn't being not ok with something also ok? being in an abusive relationship is not ok? realizing this can be a gift to no?

Ekodar Being

Papaji said that for a particular person, that of the quiet place, comes to my mind(as i remember the video right)?

Cecilia Diaz

hello

Cecilia Diaz

changingears

-

Cecilia Diaz

neelam, can you show me god

Cecilia Diaz

ramdas

Cecilia Diaz

grace, can you ask neelam to show me god

A

Amy Phoenix

Neelam, how do you address the need for a sound mind to interact with non dual teachings? I wonder about people who are mentally or emotionally struggling and how teachings may be confusing.

. .

Ekodar Being

Thank you!
